Pope John Paul II's Theology of the Body is changing lives around the world through its positive portrayal of our sexuality as a good and essential part of love and life.

The *Theology of the Body for Teens* Training brings this exciting teaching into a practical format of 12 lessons that teenagers will enjoy and understand. Join us for this one-day training where you will be introduced to the Theology of the Body as it specifically relates to teens.

## THEOLOGY OF THE BODY FOR TEENS ANSWERS QUESTIONS SUCH AS:

- Why did God give us our sexual desires?
- What is the difference between love and lust?
- What does our sexuality teach us about God?
- Can Christ bring healing to me if I've already "messed up"?
- How can I discover my vocation?
- How far is "too far"?
- How can teens remain pure in our oversexed culture?
